

PROPOSED BYLAWS AMENDMENT TO CHANGE THE FISCAL YEAR OF THE SLPCC TO JULY 1 – JUNE 30

Electronic voting on the proposal will be open for two weeks after the meeting. The SLPCC board recommends a 'yes' vote so our year end does not fall right in the middle of our busy season.

The proposed changes will amend Article 2F and Article 10G as follows:

*F. All memberships require club fees to be current. Failure to do such may result in suspension or expulsion from the club. Annual dues are established by the SLPCC Board of Directors. Dues shall be payable by **JULY 1** of each year. Membership will be considered active in the period **JULY 1 THROUGH JUNE 30**. Dues and memberships are not prorated.*

*G. Financial Records will be maintained on a fiscal basis **JULY 1 –JUNE 30**.*
