Opportunity Round 1 Opportunity Round 2 Opportunity Round 3 Opportunity Round 4 Opportunity Final

The image shows a top-down view of a pickleball tournament bracket and a game in progress. The bracket is organized into five main sections: Pre-Round 8:00 AM, Quarterfinals, Semifinals, Winners Final, and Final. Each section contains a list of player pairs with their current scores (e.g., --). To the right of the bracket, the text "Mens 3.5 Gold Medal Winners" is displayed with a question mark. Below the bracket, there is a photograph of a pickleball court where a game is being played between two teams. The court is blue and green, and the players are in action.
